Welcome!

You are cordially invited to join us at the
upcoming St. Patrick School
“Green and Gold Gala”

St. Patrick School, located in Smithtown, NY is a 501(c)3 parochial school. As our biggest fundraiser to date, the Gala is an exciting evening to celebrate our school community as well as raise critical funds to ensure the stability of our school wide assets. It will allow us to maintain and upgrade systems within our building, support current and new programs for our students and allow St. Patrick School to continue to flourish here in Smithtown.

In preparation for this years event, we are seeking fundraising help. The following pages include various advertisement based sponsorship opportunities to those willing to help us. We can only hope that the magnitude of our effort will be met with the generosity of our community.

Please visit
